Rich Silver-Bearing Zinc Calumet and Arizona Devel-Ores to be Freighted 100 Miles to Railroad.

The line 200 Freighters.

The mine is being placed in operation by F. C. Morehouse and R. R. Foster, who have a strong company back of them, it is said. The ore is to be handled by 199 freighters who will hant it to Marathen, 100 miles away, where it will be shipped to the smeller. Later it is expected to build a railroad to the point on the border opposite the mine.

What is to be your children's future in El Paso?

Self-control and thrift are indispensable to those who would get ahead.

The opening of a savings account is the first start toward success. It will cultivate in the fertile young mind, the idea of self-possession and develop the habit of thrift.

Give your boys and girls a chance. Start a savings account for them and let them add to it as they can.

Our Special Ofter

To help develop this habit of saving among the boys and girls of El Paso, the First National Bank has started a special campaign to get the children's accounts. It wants the children to look upon this as their bank, for the children of today are the men and women of tomorrow.

So, to attract the children's interest in the plan, we have arranged to give, as a souvenir, to every boy or girl who starts an account with us of \$5.00 or more, a reliable, practical camera made and backed by the Eastman Kodak Company, of Rochester, N. Y.

This Offer Closes October 30th

Have your children take advantage of it at once. The camera will mean fun for them now. The account will add to their happiness in the

First National Bank

EL PASO, TEXAS

The Camera

The souvenir is a reliable, substantially constructed Premo camera, made by the Eastman Kodak Co., of Rochester, N. T. it makes 1% x1% pictures and leads in daylight with 12exposure films, is fitted with automatic shutter and carefully tested lens. So simple that any boy or girl can make good pictures with it at once. No experience necessary.

A camera of genuine Eastman quality—certain to give mais-factory results—and with each camera is included free a year's subscription to the most entertaining and introctive photographic magnitus published, "Kodakery."
